Investor Presentation

Important Cautions Regarding Forward-Looking Statements

This presentation contains forward-looking statements. These statements relate to future events or expectations regarding our future financial performance. These statements are only predictions and involve risks and uncertainties, including, but not limited to the ability to open the new location, fulfill the terms and obligations of the lease, and any other difficulties related to risks and effects of legal and administrative proceedings and governmental regulation, future financial and operational results, competition, general economic conditions, and the ability to manage and continue growth.

Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those indicated. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this news release include market conditions and those set forth in reports or documents we file from time to time with the SEC. We undertake no obligation to revise or update such statements to reflect current events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

ORGANIC!
GLUTEN FREE!
VEGETARIAN!

It is our passion and mission to serve you and your family healthy, delicious food!

That is why our produce is grown locally and we use organic ingredients when available. Our beef comes from grass-fed hormonal/antibiotic free cows and we only use all-natural chicken. Breads are made fresh daily by local artisan bakers who, like us, are dedicated to using the finest ingredients available.

Our cooks prepare all menu items from scratch daily to deliver the freshest meals possible, making all dressings, sauces and marinades in house using fresh herbs and ingredients in all recipes. We cook only with Trans-Fat free canola oil and extra virgin olive oil when necessary. Our dessert desserts are also baked in house.
