Who We Are

RCI is an international investor relations, digital media and research firm providing services to public and private companies worldwide.

The only investor relations media firm in the world with a global content creation and distribution platform

Registered Offices: Sydney

Regional Offices: Singapore, Orlando

Who We Are-Industry Leaders

- First to create, produce, write small-cap TV show and broadcast on major media outlets worldwide
- First to integrate research written by analysts holding the Chartered Financial Analyst designation with TV and Digital Media distribution platform
- First to integrate traditional investor relations with worldwide media and research platform.

Australian Client References

"RedChip is by the far the most effective and most sophisticated investor relations firm we have used. Not only have they made key Investment Banking and institutional introductions, under their IR, research and media platform, our stock appreciated 100% within 90 days."

Peter Anastasiou, Chairman of Immuron Limited ASX: IMC

"We signed RedChip based on their strong references and their long list of banking and institutional contacts in the U.S., but also because we wanted to increase our awareness among Australian and New Zealand investors. I recommend them for any Australian company that needs exposure to investors both in Asia, Australia and the U.S."

Roger Aston, CEO of PharmAust Limited ASX: PAA

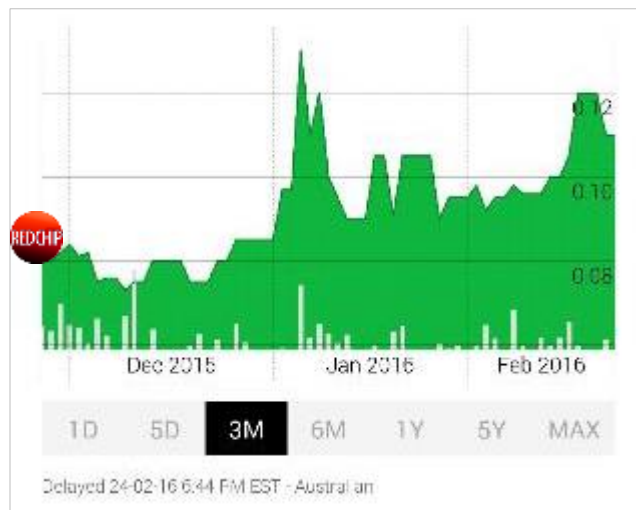

"RedChip came highly recommended and our experience has been positive across all fronts. Their platform is exactly what we needed to increase liquidity and give us exposure to U.S. investors."

Paul Hopper, Executive Chairman of Imugene Limited: ASX: IMU

Endorsements of CEO's Book, *Small Stocks Big Money*

R3D International CEO's Book: *Small Stocks, Big Money*, published by largest educational book publisher in the world, Wiley

"I like this book. It is thoughtful, well-written and interesting for both professional investors and those who want to learn how the pros make millions with small stocks. Excellent work by a man who is one of the top consultants in the microcap space."

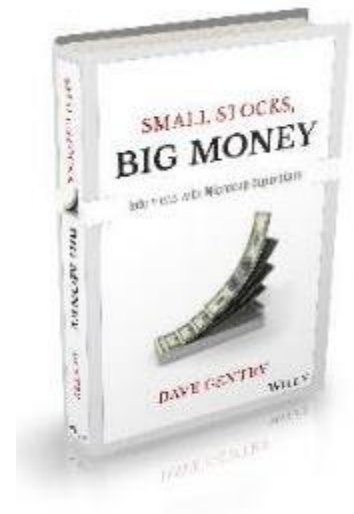

Cliff Teller, Head of Investment Banking, Maxim Group

"MicroCap Superstars is a wonderful read for anyone who wants to learn about the world of small stocks and the people who play in them. I have watched RedChip grow to become one of the top firms in the world serving smaller-cap companies. Praise for Dave Gentry and RedChip."

Barry Sloane, CEO and Chairman, Newtek Business Services, NASDAQ: NEWT

"MicroCap Superstars is a compelling look into the volatile and never dull world of microcaps. Dave Gentry is a first rate writer and a class act. Read the book if you want to know who the real players in the industry are."

Darrin M. Ocasio Esq., Senior Partner, Sichenzia, Ross, Friedman, Ference LLP

[READ MORE REVIEWS](#)

Management & BD-Key Players

- Dave Gentry, M.A.

President and Chief Executive Officer

Dave Gentry has been a consultant to over 400 public companies and assisted dozens of companies in the uplisting and capital raising process. He has owned his own investor relations firm since 2001 and purchased RedChip in 2005, where he is CEO and owner.

In 2012 he founded The RedChip Money Report™, a cable TV financial news show broadcasted weekly in over 160 million homes in Australia, Europe, Asia, and Latin American on the Bloomberg Network.

He has been interviewed by CNBC on multiple occasions and has also appeared on Fox Business. In 2011, he was honored by Inc. Magazine as the CEO of one of the fastest growing private companies in America.

- Alberto Migliucci

Chairman

Alberto Migliucci joined the Board on 13 October 2014. Mr. Migliucci is the CEO and founder of Petra Commodities, a Singapore boutique investment firm. A senior investment banker with outstanding qualifications, he has put together transactions with a cumulative total greater than \$100 billion.

With 15 years' experience in Asia, he was Managing Director of Credit Suisse's Global Energy Group, as well as Head of the investment bank's Mining & Metals and Energy franchise in Asia. Mr. Migliucci also worked for Standard Bank PLC, as the Head of the bank's Energy & Mining Finance group for Asia Pacific, and for Societe General in Hong Kong, where he was a Vice President in Project Finance & Advisory team. He has held senior bank positions for Westpac Banking Corporation and The Sumitomo Bank of Japan.

Migliucci has been interviewed by FORBES, LEADERS magazine as well as quoted on Bloomberg, Reuters and various other industry conferences.

Management & BD-Key Players

- **Alex Chin**
Independent Board Director

Mr Chin was appointed as a Non-Executive Director of the Company on 22 March 2013. Mr Chin has over 30 years' experience in investor relations, banking and investments with global financial institutions like Credit Suisse, Standard Chartered Bank, BNP and CIBC handling project finance, corporate lending, and wealth management in Canada, Hong Kong and Singapore. Mr Chin is currently a Director of a manufacturing company listed on the Jakarta Stock Exchange. Mr Chin has a degree in Economics from the University of Western Ontario, Canada.

- **Tom Pfister, CFA**
Research Director-10 years

Mr. Pfister is a CFA charterholder. He has spent ten years researching and analyzing emerging growth companies in a variety of industries, including metals and mining, oil and gas, technology, biotechnology, and emerging market stocks. Mr. Pfister earned his B.S. degree in Finance summa cum laude from the University of Central Florida. He is a member of the CFA Institute and the academic honor society Phi Beta Kappa.

- **Jon Cunningham**
Vice President and Director of IR

Prior to joining RedChip Companies, Mr. Cunningham was a registered investment advisor for the Principal Financial Group and held series 7, 52, 63, and 65 licenses. He has over a decade of experience working in the small-cap sector and works closely with small-cap institutions, family offices and hedge funds. Prior to joining Principal, Mr. Cunningham was a stockbroker for Olde Discount Corporation. Earlier in his career Mr. Cunningham managed the Midwest Division of Quality Assurance for Amtrak in Chicago.

Strong Historical Performance and Stellar Client References

“RedChip has been instrumental in raising our profile among both savvy institutional investors and retail investors that are looking for differentiated and unique companies. RedChip has developed a unique combination of providing targeted media exposure and investor relations support for emerging companies.”

- Panna Sharma

CEO of Cancer Genetics - (NasdaqCM:CGIX)

“After engaging RedChip, we realized increased trading volumes and an expanded shareholder base. The TV show was a great complement to our IR initiatives, and we were impressed with RedChip’s ability to drive results.”

- Andrew Limpert

CFO of Profire Energy, Inc.(NASDAQ:PFIE)

“I work with many of the companies that would be RedChip companies. And we certainly ascribe to the same view that the RedChip Companies do, which is discovering tomorrow's blue chips today. NASDAQ is truly pleased to be a trusted partner of RedChip, to help them increase your visibility, not only for RedChip, but most importantly, also for all those companies that you serve.”

-Bob McCooey,

Senior Vice President The NASDAQ Stock Market

[SEE MORE](#)

Strong Historical Performance and Stellar Client References

"I have appeared on the RedChip Money Report TV show four times. Dave Gentry, the host, is professional and engaging. I strongly recommend this show for CEOs who want exposure to thousands of microcap investors.

There is a very tangible benefit of appearing on RedChip's 'Small Stocks, Big Money'"

Jim Czirr, Executive Chairman - Galectin Therapeutics, Inc. - NasdaqCM: GALT

"I appreciate the RedChip Team. They were the first investor relations firm to truly understand our story and position us properly to micro-cap investors. They seem to know all the small-cap investment banks, family offices and fund-managers that buy smaller companies. Their media platform is the best I have ever seen for companies with market caps of \$500 million and under. I recommend them highly."

Dhru Desai, Chairman-Quadrant 4 Systems - OTC QB: QFOR

"Whether delivered over Skype or live from the Orlando studios or during a conference -- RedChip has helped increase awareness of Lightbridge's prospects as a developer of next-generation nuclear fuel technology and global advisory services. Moreover, we have been impressed by Dave Gentry's thorough grasp of our business model and his effective communication of our strategic goals."

Seth Grae, CEO - Lightbridge Corp. - NasdaqCM: LTBR

[SEE MORE](#)

Strong Historical Performance and Stellar Client References

"I am very pleased with RedChip. Their ability to generate quality one-on-one meetings with small-cap funds and retail brokers is impressive, particularly when matched with their research report and conference platform. I would strongly recommend them to any small-cap company listed or bulletin board who needs professional and systematic investor relations services".

Frank Jaksch, CSO - ChromaDex Corporation - OTC BB: CDXC

"We saw an excellent response to the interview with Dave Gentry, with many favorable comments. The posted interview immediately received hundreds of YouTube views. I suspect the number will be in the thousands over time."

Eugene Seymour, CEO - NanoViricides, Inc. - OTC QB: NNVC

"I am very pleased with the product produced by RedChip TV. Through the interview, which we have aired three thus far, we have increased our retail holdings significantly. We also use the A+ quality video for marketing purposes. I strongly recommend RedChip TV to microcap companies who want exposure to qualified high net worth individuals."

Ron Najafi, CEO - NovaBay Pharmaceuticals, Inc. - NYSE MKT: NBY

[SEE MORE](#)

Strong Historical Performance and Stellar Client References

"RedChip is a first class organization. Their TV show on the Bloomberg network is apparently the best small-cap show available on a serious financial network. Their work in producing an interview for us was of the highest professional quality. I recommend RedChip for any company that needs exposure to retail and institutional investors."

John Costain, CEO of KNOT Offshore Partners LP - NYSE: KNOP

"RedChip has been servicing our account for almost two years. They are the most productive investor relations firm that with whom we have worked. They are professional, effective and honest. Not only is their media platform far superior than any we have seen in the smaller-cap space, they have made numerous key introductions to investment banks, institutions, family offices and stock brokers."

Harold Montgomery, CEO of Calpian Inc. - OTC:CLPI
